

Revise Canons to Implement Certain THRIVE Report Recommendations Proposed Amendment

PROPOSERS: Canons Committee

Insert a new third sentence to Canon 10.3: “The Chair of the Commission shall be appointed by the Bishop in consultation with the Commission,” so the canon will read as follows:

3. Commission on Finance. There shall be a Commission on Finance ~~Financial Oversight and Audit Committee~~ consisting of the Bishop and the Treasurer, each ex officio, and at least six and no more than eight persons elected by Convention to terms of ~~three~~ four years. Of the members elected by Convention, at least two shall be lay and two clergy. The Chair of the Commission shall be appointed by the Bishop in consultation with the Commission. The Commission shall report to and be accountable to the Standing Committee.
